Accredited "B" Grade by NAAC.

Two best practices successfully implemented by the Institution

1. Students' Adaptability Practices:

For Below Poverty Line and self-supporting students, special attention was paid to them that attendance was lenient and flexible, remedial and extra classes were arranged for them to enable them receive the same education as those students who were regular in attending classes. For students with differently abled, the college exempted 33% of the fees to comply with the instruction of the Government and extra time during exams was also provided. Additionally the college provides a kind of scholarship to students who excel in some field like arts, sports etc.

2. Summer introductory Course for FYUG as part of preparation in implementing the NEP 2020

The Summer Introductory Course Committee is set up with a purpose to provide basic information and also guide the first Semesters Students about the various courses that the College is offering under the New Education Policy 2020. Besides, the committee is also formed in order to engage students in performing different activities/tasks and make them confident and learn and improve upon their skills and also help them in personality development.

The Committee will be organizing a two-week Summer Introductory Course programme for the first Semesters' Students only. The programme will start from 18th July to 28th July, 2023. Respective teachers will be engaged and assigned different roles during the two-week programme. During this two-week programme, teachers will also be engaged in mentoring the students.

Students will be divided in different club based on their choices and interest, the clubs that the college formed were, **Art Club, Literary Club, Music & Choir Club, Dance Club, Adventure Sports Club, Eco-Green Club, Verbatle Club, Charity Club, Media & Publication Club, Drama Fashion Club, Culinary Club and Shark Tank Club**. Teachers will be allotted to each of the club in order to guide the students.

Different clubs and assigned duties of teachers:**The Committee approved and entrusted the following roles/duties for each teacher.**

Teachers	Clubs	Duties/Roles
BD, FL, SN, BN	Art Club	Allows for free expression from students. Help students experiment and create from their imaginations. Students have unique ideas and powerful imaginations and need the space to work through their artistic expression on their own terms, without any objectives and boundaries. Painting, crafts, sculptor, etc may help explore their talents.
BM, PLM, AK, VH	Literary Club	Encourage students to read different types of books and share their reviews. Inspires students to read more and also critically analyse books. Develop an interest in a genre that they haven't explored before. Through newsletters, quizzes, poetry writing, etc students can share their creative literary works.
PBS, RW, Micky	Music & Choir Club	Music clubs are a great way to get students interested in music and to provide them with an opportunity to learn about it. Teach them how to read music, and how to play instruments, and give them the chance to perform in front of their peers. Prepare students for choir songs.
MK, RR, RN	Dance Club	To strengthen the students' creative skills in live performance through dance forms. To enhance the dance talent among the students. To encourage the students to actively participating in various dance events conducted within the campus and outside the campus. To showcase the talents of the students in various forms of dance.
SR, PP, LN	Adventure Sports Club	The members of this club's work to develop the spirit of adventure among students. Organized adventure activities inside/outside the university campus
HK, FS, PL, DS	Eco-Green Club	Participate and take up meaningful environmental activities and projects Create awareness and sensitivity among students towards environmental issues and their connected problems Teach skills to help students to identify and solve environmental problems and lead them towards actions to participate in appropriate action and help solve environmental issues.
PK, AS, TL, RP, NS	Verbattle Club	This club foster to provide participating students a valuable educational activity with primary emphasis on debate activities and competitions which improves critical thinking, research skills, ethical argumentation, advocacy, analysis, oral presentation, listening, organization, team work, group problem solving, emphasis good communication skills in the students in Khasi, Hindi and English languages.
SK, DL, BN, KW, RT	Charity Club	Charity clubs are clubs that are linked to a specific charity with the goal of raising awareness, working for charity, or raising money for charity. Take up charitable work in/outside the college campus.
Jerry, Harvest, Benny, Fasterwell	Media & Publication Club	Media Club is a very important part of modern education. It gives voice to the students and provides them exposure to the media and broadcast segment. It brings students together outside of the classroom to create multimedia productions, from producing films to recording music. Organise activities such as photography, videography, computer skills knowledge etc and link them to social media sites.
Tanbor, IT, PKR	Drama Fashion Club	A drama Fashion club is an extracurricular activity designed to engage students in the performing arts and theater. Students will learn acting skills, work on building sets and making props, design costumes and makeup and more.
RK, DS, MKR.	Culinary Club	The Culinary Club provides an environment for students to, socialize, be creative, learn cooking skills, and have fun. The students are encouraged to participate and help lead the club in cooking activities. The purpose of this club is to help spread knowledge about food through teaching and exploring the different aspects of the Culinary Arts. The goal is to inspire others to pursue their Culinary Dreams.
PW, NB, IL.	Shark Tank Club	Come up with creative and innovative business ideas/models to present to the panel and bring in investors. Students must believe in this mantra, "Don't wait, Innovate!! The sea is full of ideas"

N.B.

i) If any of the faculty members whose names are not mentioned in any of the clubs, please make yourself useful and join any of the above-mentioned clubs.
